

HB 2291 -- APPLICATIONS FOR PROPERTY DEVELOPMENTS

SPONSOR: Casteel

This bill requires a political subdivision to approve or deny an applicant's permit request, as defined in the bill, within 30 calendar days. If no response is received by the applicant within 30 days, the request will be deemed approved and the applicant is authorized to proceed with construction.

If a political subdivision denies a request, it must state in writing the reasons for denial. Information necessary to be included in the written denial is specified in the bill.

If an applicant resubmits a request that was denied, the political subdivision cannot issue a subsequent denial that includes additional unrelated reasons that were not specified in the initial denial.

If a request is incomplete, the political subdivision must notify the applicant within 20 calendar days of receipt of the request, and if an incomplete request is resubmitted the political subdivision has 10 days to approve or deny the request on the merits. The political subdivision must state in writing the reason for denial of the request as incomplete.

This bill is similar to HCS HB 1264 (2025).
