THE INFORMATION ON THIS FORM IS PUBLIC RECORD UNDER CHAPTER 610, RSMo.			

The population of black bears in Missouri is rising. That is a positive development that is possible because of Missouri's laudable history of protecting our natural habitats. Holding an annual Missouri Black Bear Awareness Day would provide an opportunity to educate Missourians how to co-exist safely with these majestic animals. I have often camped in bear country in other states, and know that bears and humans can co-exist.
