4. Respondent filed a response acknowledging that he sent the text messages described in the complaint. Respondent stated that he recognized that the messages were inappropriate and unprofessional, and that he regretted sending them. Respondent denied any intent to disrupt the legislative process, intimidate the Complainant, or improperly influence her participation in the committee hearing. Respondent also submitted a copy of a letter he sent to Complainant apologizing for sending the text messages.

5. The rules of procedure define ethical misconduct to include any conduct constituting a legal or moral wrong that materially impairs the member's ability to perform the duties of his or her office or substantially impairs public confidence in the General Assembly.
6. The definition of sexual harassment, found in the House Policy Handbook, includes unwelcome verbal conduct of a sexual nature that has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.
7. On September 10, 2025, the committee held a jurisdictional hearing to consider this complaint. The committee, by a vote of 9-0, determined the complaint was in compliance with the rules and that the matter should proceed to a primary hearing.
8. On October 29, 2025, the committee held a primary hearing and received testimony from both Complainant and Respondent.
9. After consideration of the testimony and other evidence, the committee, by a vote of 10-0, determined that the complaint was well founded, that Respondent has committed unethical conduct, and that pursuant to Rule 8(F), Respondent receive a reprimand with the following conditions, including the denial of certain privileges of office:
 - a. Respondent be removed from any committee assignments for the remainder of the 103rd General Assembly;
 - b. Respondent attend additional training in the subject of preventing sexual harassment in the workplace;
 - c. Respondent refrain from any contact with Complainant and maintain physical separation of at least fifty feet from Complainant;
 - d. Respondent be subject to reassignment of seating on the House floor and garage parking space.
10. The committee's decision and recommended sanctions were promptly communicated to Respondent. Pursuant to the rules, Respondent was given fifteen days to object to the recommended sanction. Respondent did not object to the recommendation; therefore, the committee submits this report and recommendation for consideration by the House of Representatives.

NOW THEREFORE, the Committee on Ethics, having given full consideration to this complaint, including hearing the statement to the committee from Respondent, finds that the complaint filed in this matter is well founded and that Respondent committed ethical misconduct and recommends that the House of Representatives reprimand Respondent, Representative Jeremy Dean, for his conduct set forth herein, with the following conditions, including the denial of certain privileges of office:
